Dear Joe:

Thank you for your donation of \$1,500, received on May 20, 2017. We are grateful that Hope for Michael has selected BluePath as a recipient of its support.

Your gift helps us raise, train and place autism service dogs, offering safety and freedom to individuals and families. We are proud to be part of the community of resources supporting people touched by autism. Service dogs may be the very best option for ensuring safety for a child who bolts, and as the prevalence of autism continues to rise, the demand for autism service dogs is greater than ever before.

"My family received a gift of hope in the form of an autism service dog. Since then, my daughter has overcome once unimaginable obstacles with her dog by her side. But so much has also been given to my other children; I've been able to see them hit home runs and be inducted into the National Honor Society – because our dog was there to keep my daughter safe. There are no words that can ever explain the ways our lives have changed."

Our dogs transform lives by providing expanded opportunities to unlock life's potential. Thank you for your belief in our work and your generous support of our mission.

Sincerely,

Dr. Jody Sandler
President and CEO
